Become A Sponsor!

Attendees at the Coalition Conference want to hear about your financial products, innovative construction technologies, management software, and other resources that can make the creation and management of affordable housing more efficient. Sponsors and exhibitors enjoy the benefits of having exhibit space, as well as advertising in our program book, which many attendees keep throughout the year as a reference resource. Call Colin McKnight at the Coalition at (518) 458-8696, ext. 14 for more information on how you can participate in the many sponsorship opportunities.
